## The Signature Series - Hot Water Heating System

Solves the Biggest Expense on your Power Bill -Your Hot Water

# RIELLO

How does the idea of saving up to 67% on your hot water bills appeal to you?

uses the free heat in the ambient air to efficiently heat your hotwater - saving you hundreds of \$\$ on your hot water heating bills

If you use electricity to heat your water then this is an absolute must see

We use so much Hot Water in the home for things like :

- Showers
- Baths
- Washing Clothes
- Washing Dishes
- Washing our hands
- And the more people in the family the bigger the expense
